LAS BAMBAS MOLYBDENUM CONCENTRATE
SALES FRAMEWORK AGREEMENT**

LAS BAMBAS MOLYBDENUM CONCENTRATE SALES FRAMEWORK AGREEMENT

On 23 March 2023, MLB entered into the Framework Agreement with the CMN in relation to the sale of the Product by MLB.

CMN is a connected person of the Company under the Listing Rules. As a result, the Framework Agreement constitutes a continuing connected transaction for the Company.

As all of the relevant percentage ratios in respect of the maximum transaction value on an annual basis relating to the Framework Agreement are more than 0.1% but less than 5%, the transactions under the Framework Agreement constitute continuing connected transactions which are subject to the reporting, annual review and announcement requirements, but exempt from the independent shareholders' approval requirements, under Chapter 14A of the Listing Rules.

LAS BAMBAS MOLYBDENUM CONCENTRATE SALES FRAMEWORK AGREEMENT

As part of its ordinary and usual course of business, MLB sells the Product to members of the CMC Group.

On 23 March 2023, MLB entered into the Framework Agreement with CMN in relation to the sale of the Product. The principal terms of the Framework Agreement are set out below.

Buyer : CMN or its subsidiaries or associates

Term : From the Effective Date for sales during 2023, 2024 and 2025 until all obligations of the parties are fulfilled.

Pricing : CMN may purchase (or CMN may procure other members of the CMN Group or its associates to purchase), and MLB may sell, the Product at prices determined on an arms' length basis and comparable to the prevailing market rates or at rates similar to those offered by MLB to any other independent third party.

Such prices shall be calculated based on prices quoted by S&P Platts over agreed quotational periods; less agreed deductions negotiated with reference to offers from independent third parties and which are consistent with those prevailing for comparable products at the time of each sales agreement.

Delivery Terms : Shipment shall be arranged by MLB from the delivery point nominated by MLB to the place of final destination nominated by the relevant Buyer pursuant to the terms of the relevant sales agreement on a CIF (Incoterms 2020®) basis.

Sales and purchases of the Product shall be made pursuant to sales agreements agreed between the parties setting out, among other things, quantity, specifications, price, term of agreement, shipping schedule, delivery terms, place of delivery, place of shipment, payment terms, quotational period and other usual conditions (including those dealing with title and risk, insurance requirements and termination and suspension rights). Payment shall be made in accordance with the terms of the respective sales agreement.

The terms of the Framework Agreement were arrived at after arm's length negotiations between MLB and CMN.

ANNUAL CAPS

The Annual Caps under the Framework Agreements for each of the financial years ending 31 December 2023, 2024 and 2025 are as follows:

Product to	For the financial year ending 31 December		
	2023	2024	2025
	<i>US\$'000,000</i>	<i>US\$'000,000</i>	<i>US\$'000,000</i>
	(HK\$'000,000 equivalent)	(HK\$'000,000 equivalent)	(HK\$'000,000 equivalent)
CMN	110.0	110.0	110.0
	(858.0)	(858.0)	(858.0)

The Annual Caps were determined by reference to internal projections of (a) the maximum number of tonnes that may potentially be sold to CMN, and (b) the estimated molybdenum concentrate price for 2023, 2024 and 2025 which is based on molybdenum market prices since mid-2022 and forward price projections by the Company and independent market analysts.

REASONS FOR AND BENEFITS OF THE FRAMEWORK AGREEMENT

The Group's principal activities include the production and sale of metal products, including copper and molybdenum concentrates. As part of its ordinary and usual course of business, the Group sells some of its products to the CMC Group at prices and on terms which are consistent with prevailing market rates and conditions for the relevant products.

In view of the continuing nature of the transactions which are the subject of the Framework Agreement, the Directors (including the independent non-executive Directors) believe that the entering into of the Framework Agreement has the benefit of reducing the administrative burden and costs associated with compliance with laws and regulations to which the Group is subject.

GENERAL

The Directors (including the independent non-executive Directors but excluding the Interested Directors) are of the view that the terms of the Framework Agreement and the transactions contemplated thereunder (together with the Annual Caps) are on normal commercial terms, and are fair and reasonable and in the interests of the shareholders of the Company as a whole.

The Interested Directors, each holding position(s) at CMC and/or CMN, have abstained from voting on the Board resolution approving the Framework Agreement in order to avoid any possible conflict of interest issue.

IMPLICATIONS UNDER THE LISTING RULES

CMN is a connected person of the Company under the Listing Rules as CMN is the controlling shareholder of the Company.

As a result, the Framework Agreement constitutes a continuing connected transaction for the Company.

As all of the relevant percentage ratios in respect of the maximum transaction value on an annual basis relating to the Framework Agreement are more than 0.1% but less than 5%, the transactions under the Framework Agreement constitute continuing connected transactions of the Company under the Listing Rules which are subject to the reporting, annual review and announcement requirements, but exempt from the independent shareholders' approval requirements, under Chapter 14A of the Listing Rules.

INFORMATION ABOUT THE GROUP

The Group is engaged in the exploration, development and mining of copper, zinc, gold, silver and lead deposits around the world. MLB operates the Las Bambas mine which produces copper and molybdenum concentrates.

INFORMATION ABOUT CMN

CMN is one of the largest state-owned enterprises in the mining sector in China. It is engaged in the exploration, development, mining, processing and sale of a wide range of non-ferrous metals including tungsten, rare earth, copper, alumina, lead and zinc.
