The obligations of the Underwriters in this Clause 10.2 are several and not joint nor joint and several, and each Underwriter shall be responsible only for its respective proportion of the Underwritten Shares not otherwise taken up as set out below ("**Respective Commitment**"):

Underwriter	Respective Commitment

Macquarie	30%
MLAP	20%
Huatai	10%

10.3 Each Underwriter can elect to receive the fully paid Underwritten Shares for which it has so subscribed, or procured subscription pursuant to Clause 10.2, in certificated form or in CCASS.

10.4 If an Underwriter elects to receive its fully paid Underwritten Shares in certificated form, the Company shall arrange for the delivery to such Underwriter or its nominee of shares certificates in respect of the fully paid Underwritten Shares for which the relevant Underwriter has so subscribed or procured subscribers, in such names and in such denominations as

- 10.6** The Company agrees that any Underwriter and any sub-underwriter who acquires Rights Shares shall be entitled to the same remedies and rights of action against the Company, and to the same extent, as any person who acquires any Rights Shares pursuant to the Rights Issue on the basis of the Prospectus Documents.

11 TRANSACTIONS CARRIED OUT BY THE UNDERWRITERS

Any transaction carried out by an Underwriter pursuant to this Agreement shall constitute a transaction carried out at the request of the Company and as its agent and not in respect of such Underwriter’s own account (save for the subscription of Underwritten Shares by such Underwriter as principal under Clause 10.2(a)). No Underwriter shall be liable or responsible for any loss or damage to any person arising from any such transaction or for any insufficiency or alleged insufficiency of any dealing price at which any of the Rights Shares or Nil Paid Rights may be sold by any such person or from the timing of any such transactions, except where such loss or damage is finally judicially determined by a court of competent jurisdiction to have resulted primarily from the gross negligence, wilful default or

fraud of the relevant Underwriter. For the avoidance of doubt, the gross negligence, wilful default or fraud (if any) on the part of an Underwriter shall not affect the reliance on this Clause 11 by another Underwriter.

- 12.6** All payments to be made pursuant to this Clause 12 shall be made in full without any set-off, deduction or withholding for or on account of any taxation unless the set-off, deduction or withholding is required by law, in which event the payer shall pay to the payee such increased amount as shall result, after the set-off, deduction or withholding of the relevant tax, in the receipt by the payee of a net amount equal to the full amount which would otherwise have been received by it had no such set-off, deduction or withholding been made.

For the avoidance of doubt, the provisions of this Clause 13.1 shall not apply to any notification made by the Underwriters pursuant to Part XV of the SFO.

[●] 2024

Dear Sirs,

Irrevocable letter of undertaking (the "Undertaking") in relation to the rights issue of [●] Rights Shares at HK\$[●] per Rights Share on the basis of [2] Rights Share for every [5] Shares in issue at 5:00 p.m. on the Record Date (the "Rights Issue")

We refer to the announcement proposed to be published on or around [●] 2024 by MMG in relation to the Rights Issue (the "**Announcement**"), an advanced draft of which is attached in Appendix 1 to this Undertaking for identification purposes, and the underwriting agreement to be entered into between MMG and the Joint Underwriters on or around [●] 2024 in connection with the Rights Issue (the "**Underwriting Agreement**"). Unless otherwise defined in this Undertaking, words and expressions defined in the Announcement shall have the same meanings when used in this Undertaking.

We hereby represent and warrant to you that:

- (1) China Minmetals H.K. (Holdings) Limited (“**Minmetals**”) is the legal owner of a total of [5,847,166,374] Shares (the “**Relevant Shares**”) as at the date of this Undertaking, representing approximately [67.55]% of the current issued share capital of MMG;
- (2) that the Relevant Shares, as at the date of this Undertaking, are free of:
 - (i) any mortgage, charge, pledge, lien or other security interest;
 - (ii) any option, restriction, right of first refusal, right of pre-emption; or
 - (iii) any other third party claim, right, interest or preference or any other encumbrance of any kind; and
- (3) no approval from the government authorities having jurisdiction over us is required for subscribing the Committed Shares (as defined below).

We are aware that MMG proposes to offer by way of a rights issue an aggregate of [●] Rights Shares at HK\$[●] per Rights Share on the basis of [2] Rights Share for every [5] Shares in issue at 5:00 p.m. on the Record Date to the Qualifying Shareholders.

In connection with the Rights Issue, we irrevocably undertake:

- (1) to procure that the Relevant Shares remain registered in the name of Minmetals until 5:00 p.m. on the Record Date;
- (2) to accept or procure the acceptance of the [●] Rights Shares (the “**Committed Shares**”) to be provisionally allotted to us in respect of the [5,847,166,374] Shares registered in our name pursuant to the Rights Issue;
- (3) to procure that the PAL(s) in respect of the Committed Shares shall be lodged with the Company's share registrar and transfer office, Computershare Hong Kong Investor Services Limited, with full payment therefor in accordance with the terms of the Prospectus Documents, by no later than 4:00 p.m. on the Business Day immediately before the last day the Rights Issue is open for acceptance, and to deliver promptly to each Underwriter a certified true copy of such PAL(s) or such other documentation evidencing that the PAL(s) has/have been lodged and duly paid for;
- (4) to waive any rights, if any, and whether by virtue of the constitutional documents of MMG, operation of applicable laws, regulations, the Listing Rules, contractual arrangements or otherwise, to withdraw our acceptance in respect of the Committed Shares;
- (5) to procure that, for the period from the date of this Undertaking until the first day of trading of the Rights Shares in their fully-paid form on the Stock Exchange, subject to having obtained the prior written consent of the Joint Underwriters and MMG, no action shall be taken and no statement shall be made to the public which is or may be prejudicial to the successful completion of the Rights Issue, unless otherwise required or caused by any law or regulation, the Stock Exchange, SFC, or any other regulatory, judicial, governmental or other authorities or court having jurisdiction over us (the “**Applicable Laws and/or Regulators**”) (but in such case, subject to prior consultation with the Joint Underwriters and MMG);
- (6) without first having obtained the prior written consent of the Joint Underwriters and MMG, not to, and to procure our parent company, subsidiaries and fellow subsidiaries not to, transfer or otherwise dispose of (including, without limitation, through entering into any agreement to dispose of, or the creation of any option or derivative over) or acquire (except by taking up Rights Shares provisionally allotted to us pursuant to the Rights Issue or acquiring Nil Paid Rights or submitting EAFs or acquiring Shares in circumstances which do not contravene the Listing Rules and/or the Code on Takeovers and Mergers of Hong Kong and do not render information submitted to the Stock Exchange and/or the SFC to become untrue, inaccurate or misleading

in any material respect (whether by omission or otherwise)) any Share or any interest therein from the date of this Undertaking until and including the date of completion of the Rights Issue (the "**Closing Date**");

- (7) from the Closing Date until [90] days from the Closing Date, except with the prior written consent of the Joint Underwriters, not to:
- (i) offer, lend, pledge, issue, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of or create any encumbrance over (either conditionally or unconditionally, or directly or indirectly, or otherwise) any Shares (including the Rights Shares provisionally allotted to us) or any interests therein beneficially owned or held by us or such controlled companies or any securities convertible into or exercisable or exchangeable for or substantially similar to any such Shares or interests;
 - (ii) enter into any swap or similar agreement that transfers, in whole or in part, the economic risk of ownership of such Shares;
 - (iii) enter into any transaction with the same economic effect as any transaction described in paragraphs (7)(i) and (ii); or
 - (iv) offer to or agree to or announce any intention to enter into or effect any such transaction described in paragraphs 7(i), 7(ii) or 7(iii) above,

in each case, whether any such transaction described in paragraphs 7(i), 7(ii) or 7(iii) is to be settled by delivery of Shares or such other securities, in cash or otherwise;

- (8) to make available sufficient funds in Hong Kong dollars for full payment of the subscription monies upon the lodging of the PAL(s) and the EAF(s), in accordance with the terms of the Prospectus Documents by no later than 4:00 p.m. on the last day the Rights Issue is open for acceptance.

The undertakings in paragraphs (1) to (8) above are conditional upon such undertakings not resulting in MMG's non-compliance with the public float requirements under the Listing Rules and, in addition, subject to:

- (i) the publication of the Announcement by MMG; and
- (ii) the Joint Underwriters not exercising their right to terminate the Underwriting Agreement in accordance with its terms.

In the event that we should fail to comply with the undertakings given herein, we hereby irrevocably authorise MMG to treat this Undertaking as our application for all the Committed Shares in accordance with the terms of the Rights Issue (as set forth in the Prospectus Documents), to allot and issue the same in our name (or otherwise as we shall direct) and to procure the registration of the same in our name (or otherwise as we shall direct). Payment for the same shall be made by us or on our behalf forthwith.

We acknowledge and agree that the Joint Underwriters have not assumed, nor will they assume, any advisory or fiduciary responsibility in favour of us with respect to the Rights Issue, the process leading thereto or this Undertaking, and the Joint Underwriters have not provided any legal, accounting, regulatory or tax advice with respect to the Rights Issue or this Undertaking.

We consent to the Announcement, the Prospectus Documents and any necessary announcements or corporate communications of MMG containing references to us as owners of the Relevant Shares and to this Undertaking and its particulars being set out in the Announcement, the Prospectus Documents and any necessary announcements or corporate communications and to this

Undertaking being made available for public inspection if required by any Applicable Laws and/or Regulators.

We confirm that, before publication of the Announcement, we have not disclosed this information to any other person or dealt, or procured or recommended others to deal, in any securities of MMG or otherwise based any behaviour in relation to the securities of MMG on such information in violation of any laws, rules and regulations (including without limitation the Listing Rules and the SFO), and we undertake that we will not do so prior to such time. The provisions of this Undertaking shall be governed by and construed in accordance with the laws of Hong Kong and we hereby submit to the non-exclusive jurisdiction of the courts of Hong Kong.

This Undertaking is duly executed and delivered as a deed on the date first above written.

The Company will provisionally allot [2] Nil Paid Rights for every [5] Shares held by each Qualifying Shareholder on the Record Date. All fractions of Rights Shares will be aggregated (and the Rights Shares rounded down to the nearest whole number) and all Nil Paid Rights arising from such aggregation will be provisionally allotted (in nil-paid form) to the Sole Global Coordinator, and will be sold in the market on behalf of the Company if a premium (net of expenses) can be obtained, with the Company retaining the proceeds for its own benefit.

The Rights Issue will not be available to the Non-Qualifying Shareholders.

The net proceeds of the Rights Issue will be used to repay existing debt, which will allow the Company to use other funds to better support the ongoing development of the Company's operating mines.

COMMITTED SHAREHOLDER IRREVOCABLE UNDERTAKING

As at the date of this announcement, the Committed Shareholder is beneficially interested in [5,847,166,374] Shares, representing [67.49]% of the total number of issued Shares. The Committed Shareholder has irrevocably undertaken to the Company and the Joint Underwriters that, among other things, it will subscribe or procure the subscription for the Undertaken Shares to be provisionally allotted to it (which comprise the full acceptance of its aggregate provisional entitlement in respect of the Committed Shareholder Irrevocable Undertaking Shares), subject to the terms and conditions of the Rights Issue.

Save for the Committed Shareholder Irrevocable Undertaking as stated above, the Company has not received any information or irrevocable undertakings from any other Shareholders of their intention in relation to the Rights Shares to be provisionally allotted to them under the Rights Issue as at the date of this announcement.

UNDERWRITING AGREEMENT

On [Monday], [3 June] 2024 [(after trading hours)], the Company and the Joint Underwriters entered into the Underwriting Agreement, pursuant to which, among other things, the Joint Underwriters have conditionally agreed to fully underwrite all the Rights Shares excluding the Undertaken Shares. Details of the major terms and conditions of the Underwriting Agreement are set out in the section headed “Underwriting Agreement” in this announcement.

EXPECTED TIMETABLE

The last day for dealing in the Shares on a cum-rights basis is [Friday], [7 June] 2024. The Shares are expected to be dealt in on an ex-rights basis from [Tuesday], [11 June] 2024. To qualify for the Rights Issue, a Qualifying Shareholder’s name must appear on the register of members of the Company at [5:00 p.m.] on the Record Date, which is currently expected to be [Wednesday], [19 June] 2024. In order to be registered as a member at [5:00] p.m. on the Record Date, any transfer of Shares (together with the relevant share certificate(s)) must be lodged with the Registrar for registration by [4:30 p.m.] on [Wednesday], [12 June] 2024 (the register of members of the Company will be closed from [Thursday], [13 June] 2024 to [Wednesday], [19 June] 2024, both days inclusive).

The Latest Time for Acceptance is expected to be [4:00 p.m.] on [Friday], [5 July] 2024. The Company will make an application to the Listing Committee of HKEX for the listing of, and permission to deal in, the Rights Shares in both nil-paid and fully-paid forms. For details of the trading arrangements, please refer to the section headed “Expected Timetable” in this announcement.

IMPLICATIONS UNDER THE LISTING RULES

As the proposed Rights Issue is not expected to increase the number of issued shares or the market capitalization of the Company by more than 50% within the 12-month period immediately preceding the date of the announcement, there is no requirement under the Listing Rules for the Rights Issue to be approved by Shareholders in a general meeting pursuant to Rule 7.19A(1) of the Listing Rules.

The Rights Issue does not result in a theoretical dilution effect of 25% or more on its own. As such, the theoretical dilution impact of the proposed Rights Issue is in compliance with Rule 7.27B of the Listing Rules.

The public float requirements under the Listing Rules shall be fulfilled by the Company at all times. The Company will take all appropriate steps to ensure that sufficient public float be maintained at all times in compliance with Rule 8.08 of the Listing Rules.

GENERAL

The Prospectus containing further information in relation to the Rights Issue and financial and other information relating to the Group is expected to be despatched by the Company, together with the PALs and EAFs, to Qualifying Shareholders on or before [Thursday], [20 June] 2024. A copy of the Prospectus will also be made available on the websites of the Company (<http://www.mmg.com>) and HKEX (<http://www.hkexnews.hk>). To the extent reasonably practicable and subject to the advice of legal advisers in the relevant jurisdictions in respect of applicable local laws and regulations, the Company will send copies of the Prospectus to Non-Qualifying Shareholders outside of the United States for their information only but will not send any PALs or EAFs to them.

TRADING HALT AND RESUMPTION OF TRADING

At the request of the Company, trading in the Shares on HKEX was halted with effect from [9:00] a.m. on Monday, 3 June 2024 pending the release of this announcement. Application has been made to HKEX for the resumption of trading in the Shares from [9:00 a.m.] on Tuesday, 4 June 2024.

WARNING OF THE RISKS OF DEALING IN THE SHARES AND NIL PAID RIGHTS

Shareholders and potential investors of the Company should note that the Rights Issue is conditional upon, among others, the Underwriting Agreement having become unconditional and the Joint Underwriters not having terminated the Underwriting Agreement in accordance with the terms thereof (a summary of which is set out in the sections headed “Underwriting Agreement — Conditions of the Underwriting Agreement” and “Underwriting Agreement — Termination of the Underwriting Agreement”). Accordingly, the Rights Issue may or may not proceed.

The Shares are expected to be dealt in on an ex-rights basis from [Tuesday], [11 June] 2024. Dealings in the Nil Paid Rights are expected to take place from [Monday], [24 June] 2024 to [Tuesday], [2 July] 2024 (both days inclusive).

Any Shareholder or other person contemplating selling or purchasing Shares and/or Nil Paid Rights is advised to exercise caution when dealing in the Shares and/or Rights Shares. Any person who is in any doubt about his/her/its position is recommended to consult his/her/its own professional adviser. Any Shareholder or other person dealing in Shares from the date of this announcement up to the date on which all the conditions to which the Rights Issue is subject are fulfilled (and the date on which the Joint Underwriters’ right of termination of the Underwriting Agreement ceases) and any person dealing in the Nil Paid Rights during the period from [Monday], [24 June] 2024 to [Tuesday], [2 July] 2024 (both days inclusive) will accordingly bear the risk that the Rights Issue may not become unconditional or may not proceed.

PROPOSED RIGHTS ISSUE

The Company proposes to raise approximately HK\$[9,079] million before expenses, or approximately HK\$[8,986] million after expenses, by way of the Rights Issue of [3,465,432,486] Rights Shares at the Subscription Price of HK\$[2.62] per Rights Share.

The Company will provisionally allot [2] Nil Paid Rights for every [5] Shares held by each Qualifying Shareholder on the Record Date. Fractional entitlements will not be allotted and the Company will not accept application for any fractions of the Rights Shares. All fractions of Rights Shares will be aggregated (and the Rights Shares rounded down to the nearest whole number) and all Nil Paid Rights arising from such aggregation will be provisionally allotted (in nil-paid form) to the Sole Global Coordinator, and will be sold in the market on behalf of the Company if a premium (net of expenses) can be obtained, with the Company retaining the proceeds for its own benefit.

The Rights Issue will not be available to the Non-Qualifying Shareholders.

As of the date of this announcement, the Company has [22,990,096] Performance Awards in issue as the 2022 Performance Awards (which were granted by the Company pursuant to the Long Term Incentive Equity Plan), which may be satisfied by the issuance and allotment of new Award Shares to the eligible Incentive Participants at a ratio of one Award Share for one Performance Award. It is expected that the 2022 Performance Awards will vest in Incentive Participants on or around [June 2025]. For the avoidance of doubt, the 2022 Performance Awards will not be vested before the Record Date. Other than the outstanding 2022 Performance Awards, as at the date of the announcement, the Company (a) has no other outstanding derivatives, options, warrants, conversion rights or other similar rights which are convertible or exchangeable into or confer any right to subscribe for Shares in the Rights Issue; and (b) has no intention to issue or grant any Shares, convertible securities, warranties and/or options on or before the Record Date.

The Nil Paid Rights proposed to be provisionally allotted represent:

- (i) approximately [40.00]% of the Company's issued shares as at the date of this announcement; and
- (ii) approximately [28.57]% of the Company's enlarged issued shares as enlarged by the issue of the Rights Shares.

Subscription Price

The Subscription Price for the Rights Shares will be HK\$[2.62] per Rights Share, payable in full by a Qualifying Shareholder upon acceptance of the relevant provisional allotment of Rights Shares or, where applicable, upon application for excess Rights Shares under the Rights Issue or when a renounee of any provisional allotment of the Rights Shares, or when a transferee of Nil Paid Rights applies for the relevant Rights Shares.

The Subscription Price represents:

- (i) a discount of approximately [31.41]% to the closing price of HK\$[3.82] per Share as quoted on HKEX on the Last Trading Day;
- (ii) a discount of approximately [24.65]% to the theoretical ex-rights price of HK\$[3.48] per Share, which is calculated on the basis of the closing price of HK\$[3.82] per Share as quoted on HKEX on the Last Trading Day;
- (iii) a discount of approximately [35.59]% to the average of the closing prices per Share as quoted on HKEX for the five (5) consecutive trading days ending on the Last Trading Day of approximately HK\$[4.07] per Share;
- (iv) a discount of approximately [35.88]% to the average of the closing prices per Share as quoted on HKEX for the ten (10) consecutive trading days ending on the Last Trading Day of approximately HK\$[4.09] per Share;
- (v) a discount of approximately [32.51]% to the audited consolidated net asset value of the Company of approximately HK\$[3.88] per Share based on the latest published audited consolidated net asset value attributable to the equity holders of the Company of approximately HK\$[33,634 million] as at 31 December 2023 as set out in the Annual Report and total number of issued Shares of [8,663,581,216] Shares as at the Last Trading Day; and
- (vi) a theoretical dilution effect (as defined under Rule 7.27B of the Listing Rules) represented by a discount of approximately [10.17]%, which is calculated based on the theoretical diluted price of approximately HK\$[3.65] per Share to the benchmarked price (as defined under Rule 7.27B of the Listing Rules) of approximately HK\$[4.07] per Share, taking into account the higher of the closing price on the Last Trading Day of HK\$[3.82] per Share and the average of the closing prices of the Shares as quoted on HKEX for the five previous consecutive trading days prior to the date of this announcement of approximately HK\$[4.07] per Share.

Since the Company is incorporated in Hong Kong, the Rights Shares have no par value.

The Subscription Price was determined by the Directors with reference to (i) the recent closing prices of the Shares; (ii) the prevailing market conditions and the financial positions of the Group; and (iii) the amount of funds the Company intends to raise under the Rights Issue.

The estimated net price per Rights Share (i.e. Subscription Price less cost and expenses incurred in the Rights Issue) will be approximately HK\$2.59.

The Directors consider the terms of the Rights Issue, including the Subscription Price (and the discounts to the relative values as indicated above), to be fair and reasonable and to be in the interests of the Company and the Shareholders as a whole.

Basis of provisional allotment

The basis of the provisional allotment shall be [2] Rights Shares (in nil-paid form) for every [5] Shares held by the Shareholders as at [5:00 p.m.] on the Record Date at the Subscription Price payable in full on acceptance and on other terms and subject to the conditions set out in the Prospectus Documents. Application for all or any part of a Qualifying Shareholder's provisional allotment should be made by completing the PAL and lodging the same with a remittance for the Rights Shares being applied for.

Qualifying Shareholders

The Rights Issue is only available to the Qualifying Shareholders. The Company will send the Prospectus Documents to the Qualifying Shareholders. The Company will not extend the Rights Issue to the Non-Qualifying Shareholders. The Company will, to the extent reasonably practicable and legally permitted, and subject to the advice of legal advisers in the relevant jurisdictions in respect of applicable local laws and regulations, send the Prospectus to Non-Qualifying Shareholders (other than [Non-Qualifying Shareholders within the United States]) for their information only. The Company will not send any PAL or EAF to the Non-Qualifying Shareholders.

To qualify for the Rights Issue, a Shareholder must:

- (i) be registered as a member of the Company at 5:00 p.m. on the Record Date; and
- (ii) not be a Non-Qualifying Shareholder.

Shareholders having an address in Hong Kong as shown on the register of members of the Company at 5:00 p.m. on the Records Date will qualify for the Rights Issue.

Shareholders having an address outside Hong Kong as shown on the register of members of the Company at 5:00 p.m. on the Record Date will not qualify for the Rights Issue if the Board, after making relevant enquiries with the legal advisers in

the relevant jurisdictions, considers that the exclusion of such Overseas Shareholders from the Rights Issue would be necessary or expedient on account either of legal restrictions under the laws of the relevant place or any requirements of the relevant regulatory body or stock exchange in that place.

Investors with their Shares held by nominee(s) (or held in CCASS) should note that the Board will consider the said nominee (including HKSCC Nominees Limited) as one single Shareholder according to the register of members of the Company. Accordingly, investors with their Shares held by nominee(s) (or held in CCASS) are advised to consider whether they would like to arrange for the registration of the relevant Shares in their own names prior to the Record Date.

In order to be registered as a member of the Company by 5:00 p.m. on the Record Date, the Shareholders must have already lodged any transfers of Shares (together with the relevant share certificate(s)) with the Registrar, Computershare Hong Kong Investor Services Limited, at [Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong], for registration by no later than [4:30 p.m.] on [Wednesday], [12 June] 2024. The last day for dealing in the Shares on a cum-rights basis is [Friday], [7 June] 2024.

The Company expects to send the Prospectus Documents to the Qualifying Shareholders on [Thursday], [20 June] 2024.

Qualifying Shareholders who take up their pro rata entitlements in full will not suffer any dilution to their interests in the Company under the Rights Issue (apart from fractional entitlements to Rights Shares). **If a Qualifying Shareholder does not take up any of his/her/its entitlement in full under the Rights Issue, his/her/its proportionate shareholding in the Company will be diluted.**

PRC Stock Connect Investors

According to the "Stock Connect Southbound Shareholding Search" available on HKEX's website, as at [1 June 2024], ChinaClear held [926,480,865] Shares, representing approximately [10.69]% of the total number of the Shares in issue.

The Board has been advised that the PRC Stock Connect Investors may participate in the Rights Issue through ChinaClear. ChinaClear will provide nominee services for the PRC Stock Connect Investors to (i) sell (in full or in part) their nil-paid Rights Shares through Shanghai-Hong Kong Stock Connect and/or Shenzhen-Hong Kong Stock Connect if such nil-paid Rights Shares are listed on HKEX; and/or (ii) subscribe (in full or in part) for their pro rata entitlements in respect of Shares held on the Record Date at the Subscription Price under the Rights Issue in accordance with the relevant laws and regulations.

However, ChinaClear will not support applications by such PRC Stock Connect Investors for excess Rights Shares under the Rights Issue through Shanghai-Hong Kong Stock Connect and/or Shenzhen-Hong Kong Stock Connect. In addition, the Board has been advised that the PRC Stock Connect Investors (or the relevant ChinaClear participants, as the case may be) whose stock accounts in ChinaClear are credited with nil-paid Rights Shares can only sell those nil-paid Rights Shares through Shanghai-Hong Kong Stock Connect and/or Shenzhen-Hong Kong Stock Connect if such nil-paid Rights Shares are listed on HKEX until after the Company completes its filing with the CSRC in accordance with the CSRC Notice, but cannot purchase any nil-paid Rights Shares nor transfer such nil-paid Rights Shares to other PRC Stock Connect Investors.

The Company will file the Prospectus with the CSRC in accordance with the CSRC Notice and after the Company completes such filing, the PRC Stock Connect Investors may participate in the Rights Issue through ChinaClear.

The PRC Stock Connect Investors should consult their intermediary (including brokers, custodians, nominees or ChinaClear participants) and/or other professional advisers for details of the logistical arrangements as required by ChinaClear, and provide instructions to such intermediary in relation to the acceptance and/or sale of the nil-paid Rights Shares. Such instructions should be given in advance of the relevant dates stated in the section headed “Expected Timetable” of this announcement and otherwise in accordance with the requirements of the intermediary of the PRC Stock Connect Investors and/or ChinaClear in order to allow sufficient time to ensure that such instructions are given effect.

The Board has been advised that, as the Prospectus Documents will not be and are not intended to be filed with or approved by the CSRC other than in accordance with the CSRC Notice, the Rights Shares (both in their nil-paid and fully-paid forms) issued to the PRC Stock Connect Investors shall not be offered and may not be offered or sold directly or indirectly in the PRC to any person or entity, unless such person or entity is a PRC Stock Connect Investor (subject to certain limitations in relation to its rights to participate in the Rights Issue as explained in this announcement) through Shanghai-Hong Kong Stock Connect and/or Shenzhen-Hong Kong Stock Connect, or such person or entity has otherwise been exempt by or has obtained the necessary and appropriate approvals from the relevant PRC authorities in accordance with the applicable PRC laws and regulations.

Overseas Shareholders

[If there are Overseas Shareholders at 5:00 p.m. on the Record Date, such Overseas Shareholders may not be eligible to take part in the Rights Issue as explained below. [The Prospectus Documents to be despatched in connection with the Rights Issue will not be registered or filed under the applicable securities legislation of any jurisdiction other than (i) the PRC, in accordance with the CSRC Notice with the approval from HKEX for the listing of the Rights Shares (in nil-paid and fully-paid forms) having been obtained; and (ii)] Hong Kong.]

The Directors will make enquiries, to be based on legal opinions provided by legal advisers if the Directors consider necessary, as to whether the issue of Rights Shares to any Overseas Shareholders may contravene the applicable securities legislation of the relevant overseas jurisdictions or the requirements of any relevant regulatory body or stock exchange pursuant to Rule 13.36(2)(a) of the Listing Rules. If, after making such enquiries, the Directors are of the opinion that it would be necessary or expedient, on account either of the legal restrictions under the laws of the relevant place or any requirement of the relevant regulatory body or stock exchange in that place, not to offer Rights Shares to any such Overseas Shareholders, no provisional allotment of Nil Paid Rights or allotment of fully-paid Rights Shares will be made to such Overseas Shareholders. The basis for such exclusion, if any, will be set out in the Prospectus.

In such circumstances, such Overseas Shareholders will become Non-Qualifying Shareholders, and the Rights Issue will not be extended, and no Rights Shares will be provisionally allotted, to them. The Company will, to the extent permitted under the relevant laws and regulations and reasonably practicable, send the Prospectus to the Non-Qualifying Shareholders outside of the United States for information purposes only, but will not send any PAL or EAF to them.

Arrangements will be made for the Rights Shares which would otherwise have been provisionally allotted to the Non-Qualifying Shareholders, had they been Qualifying Shareholders, will be sold in the market in their nil-paid form after dealings in the Nil Paid Rights commence on HKEX and in any event before the last day of dealings in Nil Paid Rights, if a premium (net of expenses) can be obtained. The proceeds of sale, less expenses and stamp duty and rounded down to the nearest cent, will be paid to the relevant Non-Qualifying Shareholder(s) (pro rata to their entitlements at [5:00 p.m.] on the Record Date) [in Hong Kong dollars], provided that the Company will retain individual amounts of HK\$100 or less for the benefit of the Company. Any unsold entitlement of Non-Qualifying Shareholders, together with any Rights Shares provisionally allotted but not accepted by Qualifying Shareholders or otherwise subscribed for by renounees or transferees of Nil Paid Rights, will be made available for excess applications on EAFs by the Qualifying Shareholders (other than the PRC Stock Connect Investors).

Overseas Shareholders and Beneficial Owners who are residing outside Hong Kong should note that they may or may not be entitled to the Rights Issue subject to the results of the enquiries made by the Directors pursuant to Rule 13.36(2)(a) of the Listing Rules. The Company reserves the right to treat as invalid any acceptances of or applications for the Rights Shares where it believes that such acceptance or application would violate the applicable securities or other laws or regulations of any territory or jurisdiction. Accordingly, Overseas Shareholders and Beneficial Owners who are residing outside Hong Kong should exercise caution when dealing in the Shares.

Status of the Rights Shares

The Rights Shares, when allotted, issued and fully-paid, will, subject to the articles of association of the Company, rank *pari passu* in all respects with the then existing Shares. Holders of the fully-paid Rights Shares will be entitled to receive all future dividends and distributions which may be declared, made or paid on or after the date of allotment and issue of the Rights Shares in their fully-paid form.

Fractions of Rights Shares

The Company will not provisionally allot and will not accept application for any fractions of Rights Shares. All fractions of Rights Shares will be aggregated (and the Rights Shares rounded down to the nearest whole number). All Nil Paid Rights arising from such aggregation will be provisionally allotted (in nil-paid form) to the Sole Global Coordinator, and will be sold in the market on behalf of the Company if a premium (net of expenses) can be obtained, with the Company retaining the proceeds for its own benefit. Any unsold fractions of Rights Shares will be available to meet excess applications by the Qualifying Shareholders (other than the PRC Stock Connect Investors).

Application for listing and dealings of the Rights Shares

The Company will apply to the Listing Committee of HKEX for the listing of, and permission to deal in, the Rights Shares on HKEX, in both nil-paid and fully-paid forms. No part of the securities of the Company in issue or for which listing or permission to deal is being or is proposed to be sought on any other stock exchange other than HKEX.

Rights Shares will be eligible for admission into CCASS

Subject to the granting of listing of, and permission to deal in, the Rights Shares in both nil-paid and fully-paid forms on HKEX as well as compliance with the stock admission requirements of HKSCC, the Rights Shares in both their nil-paid and fully-paid forms will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of

dealings in the Nil Paid Rights and the Rights Shares on HKEX, respectively, or such other date as determined by HKSCC. Settlement of transactions between participants of HKEX on any trading day is required to take place in CCASS on the second settlement day thereafter.

All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. Shareholders should seek advice from their stockbroker or other professional adviser for details of those settlement arrangements and how such arrangements will affect their rights and interests.

Both the nil-paid and the fully-paid Rights Shares will be traded on HKEX in the same board lots of 4,000 Shares.

Odd lot arrangement

Upon completion of the Rights Issue, the board lots of the Company will remain as 4,000 Shares. In order to facilitate the trading of odd lots of Shares arising from the Rights Issue, the Company will procure an arrangement with an agent to stand in the market to provide matching services for sale and purchase of odd lots of Shares on a “best effort” basis. Further details in respect of the odd lot arrangement will be set out in the Prospectus. Holders of Shares in odd lots should note that the matching services mentioned above are on a “best effort” basis only and successful matching of the sale and purchase of odd lots of Shares is not guaranteed and will depend on there being an adequate amount of odd lots of Shares available for matching. Any Shareholder who is in any doubt about the odd lot arrangement is recommended to consult his/her/its own professional advisers.

Closure of register of members of the Company

The register of members of the Company will be closed from [Thursday], [13 June] 2024 to [Wednesday], [19 June] 2024 (both days inclusive) to determine the eligibility of the Shareholders to participate in the Rights Issue. No transfers of Shares will be registered during this period.

Transfers and “splitting” of Nil Paid Rights

If a Qualifying Shareholder wishes to accept only part of, or to renounce or transfer part of, the Rights Shares provisionally allotted to him/her/it under the PAL, or to transfer his/her/its rights to more than one person, such Qualifying Shareholders will need to split his/her/its PAL into the denominations required. Details of how to split the PALs will be set out in the Prospectus.

Application for excess Rights Shares

Qualifying Shareholders (excluding the PRC Stock Connect Investor(s)) may apply, by way of excess applications, for:

- (a) any unsold entitlements of the Non-Qualifying Shareholders (if any) which would have been allotted to Non-Qualifying Shareholders had they been Qualifying Shareholders;
- (b) any unsold Rights Shares created by aggregating fractions of the Rights Shares; and
- (c) any Rights Shares provisionally allotted but not validly accepted by Qualifying Shareholders or otherwise subscribed for by renounees or transferees of Nil Paid Rights.

Applications for excess Rights Shares may be made only by Qualifying Shareholders (excluding the PRC Stock Connect Investor(s)) and only by completing and signing an EAF (in accordance with the instructions printed thereon) and lodging the same with a separate remittance for the excess Rights Shares being applied for with the Registrar, Computershare Hong Kong Investor Services Limited, at [Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong] by [4:00 p.m.] on [Friday], [5 July] 2024, or such later time and/or date as may be agreed between the Company and the Joint Underwriters in writing.

Subject to the requirements of Rule 7.21(3)(b) of the Listing Rules and the applicable laws and regulations of the relevant jurisdictions, the Company will, upon consultation with the Joint Underwriters, allocate the excess Rights Shares (if any) at their discretion on a fair and equitable basis on the following principles:

- (i) any excess Rights Shares will be allocated to Qualifying Shareholders (including the Committed Shareholder but excluding the PRC Stock Connect Investors) who apply for them on a pro rata basis by reference to the number of the excess Rights Shares applied for;
- (ii) reference will only be made to the number of excess Rights Shares being applied for but no reference will be made to the Rights Shares comprised in applications by the PALs or the existing number of Shares held by Qualifying Shareholders; and
- (iii) if the aggregate number of Rights Shares not taken up by the Qualifying Shareholders and/ or transferees of nil-paid Rights Shares under the PALs is greater than the aggregate number of excess Rights Shares applied for through the EAFs, the Company will allocate to each Qualifying Shareholder who applies for excess Rights Shares in full application.

In applying the above principles, reference will only be made to the number of excess Rights Shares being applied for. No preference will be given to topping up odd lots to whole board lots.

Investors with their Shares held by nominee(s) (or which are deposited in CCASS) should note that the Board will regard the said nominee (including HKSCC Nominees Limited) as one single Shareholder according to the register of members of the Company. Accordingly, investors with their Shares registered in the name of a nominee(s) (or which are deposited in CCASS) should note that the aforesaid arrangement in relation to the allocation of excess Rights Shares will not be extended to them individually.

Investors with their Shares held by a nominee (or which are deposited in CCASS) are advised to consider whether they would like to arrange for the registration of the relevant Shares in their own names on or prior to the Record Date for the purpose of the Rights Issue. Shareholders and investors should consult their professional advisors if they are in any doubt as to their status. Investors who would like to have their names registered on the register of members of the Company on the Record Date, must lodge all necessary documents with the Company's share registrar, Computershare Hong Kong Investor Services Limited, for registration by not later than 4:30 p.m. on [Wednesday], [12 June] 2024.

Any Rights Shares (excluding the Undertaken Shares) not taken up by the Qualifying Shareholders and not taken up by excess applications will be taken up by the Joint Underwriters and/or subscribers procured by it pursuant to the terms and conditions of the Underwriting Agreement.

Share certificates and refund cheques for Rights Issue

Subject to the fulfilment of the conditions of the Rights Issue, share certificates for all fully-paid Rights Shares are expected to be posted on or before [Monday], [15 July] 2024 to those who have accepted and (where applicable) applied and paid for the Rights Shares by ordinary post at their own risk.

Refund cheques in respect of wholly or partially unsuccessful applications for Rights Shares and excess Rights Shares (if any) are expected to be despatched by ordinary post on or before [Monday], [15 July] 2024 to the applicants at their own risk.

If the Rights Issue does not become unconditional or does not proceed, the monies received in respect of the relevant provisional allotments and/or applications for excess Rights Shares (if any) will be refunded to the Qualifying Shareholders or such other person to whom the Nil Paid Rights have been validly renounced or transferred

or, in the case of joint acceptances, to the first-named person, without interest and by means of cheques despatched by ordinary post at the risks of such Qualifying Shareholders or such other person to their registered addresses by the Registrar on or before [Monday], [15 July] 2024.

Conditions of the Rights Issue

The Rights Issue is conditional upon the Underwriting Agreement having become unconditional and the Joint Underwriters not having terminated the Underwriting Agreement in accordance with the terms thereof. If the Underwriting Agreement has not become unconditional in accordance with its terms, the Rights Issue will not proceed.

Stamp duty and other applicable fees and charges

Dealings in the Rights Shares (in both nil-paid and fully-paid forms) will be subject to the payment of stamp duty, the HKEX trading fee, the SFC transaction levy, Accounting and Financial Reporting Council transaction levy and any other applicable fees, levies and charges in Hong Kong.

Taxation

Shareholders are advised to consult their professional advisers if they are in any doubt as to the taxation implications of, in the case of Qualifying Shareholders, the receipt, purchase, holding, exercising, disposing of or dealing in the nil-paid Rights Shares or the fully-paid Rights Shares and, in the case of Non-Qualifying Shareholders, their receipt of the net proceeds, if any, from sales of the Nil Paid Rights on their behalf.

USE OF PROCEEDS AND REASONS FOR THE RIGHTS ISSUE

Use of Proceeds

The Directors are of the opinion that, under present circumstances, raising funds by way of the Rights Issue is in the interests of the Shareholders and the Company as a whole. A Rights Issue is the most equitable means of raising funds as it provides all Shareholders with an opportunity to participate in the offer. The net proceeds of the Rights Issue will be used to repay existing debt and, to better support the ongoing development of the Company’s operating mines and for general corporate and working capital purposes.

The gross proceeds from the Rights Issue will be approximately HK\$[9,079] million. The estimated net proceeds from the Rights Issue will be approximately HK\$[8,986] million after deduction of all estimated expenses.

The Company intends to apply the net proceeds for the following purposes:

- up to US\$[611] million (approximately HK\$[4,766] million) to be used for repayment of amounts outstanding under the US\$[611] million shareholder loan facility between Top Create Resources Limited and MMG Africa Holdings Company Limited, which will mature in March 2031. This loan was used to fund the Company’s equity contribution into the Joint Venture for the purpose of funding the Acquisition of the Khoemacau Mine in Botswana;
- up to US\$[200] million (approximately HK\$[1,560] million) to be used for the partial repayment of amounts still outstanding under the US\$2,262.0 million term shareholder loan facility between Top Create Resources Limited and MMG South America Company Limited, of which US\$[700] million will mature in July 2024; and
- the remaining proceeds will be used for repayment of outstanding revolving credit facilities to various banks.

The repayment of these debt facilities will provide greater flexibility for the Company to fund the general corporate and working capital purposes of the Company and ongoing development of the Company's mines including but not limited to essential infrastructure and equipment.

Reasons for and Benefits of the Rights Issue

After careful consideration, the Directors are of the opinion that the Rights Issue represents a meaningful step as the Company seeks to reduce Gearing. The Company has an objective of reducing Gearing through:

- application of net proceeds from the Rights Issue to repay existing debts incurred by the Group, as set out in the section headed "Use of Proceeds and Reasons for the Rights Issue — Use of Proceeds" above;;
- repayment of certain revolving credit facilities obtained by the Group;
- operating cash flow generated by various projects operated by the Company; and
- continued focus on productivity and cost saving initiatives.

The Rights Issue will further strengthen the capital base of the Company, achieve immediate interest cost savings and provide greater flexibility to fund future growth.

The Directors believe that it would be in the best interests of the company and the Shareholders as a whole to raise long-term equity through a Rights Issue. Unlike borrowings or issuance of debt securities, the Directors consider that the Rights Issue would be a preferred means for the Company to raise long-term funds without subjecting itself to interest burden or additional debt. The Rights Issue will enable Shareholders to participate in and benefit from the development of the Company.
